Dear Ms. Raba:

The Commission has reviewed the request filed on April 15, 2020 by Baltimore Gas and Electric Company for a mandatory waiver of the Certificate of Public Convenience and Necessity ("CPCN") requirement for a project to rebuild a portion of an existing overhead transmission line in Harford County. After considering this matter at the May 20, 2020 Administrative Meeting, the Commission granted a mandatory waiver of the CPCN requirement pursuant to PUA § 7-207(b)(4)(i) for the work described in the Company's filing.

By Direction of the Commission,
